

Our New Premium Safety Mats

COBA Europe are excited to announce the launch of a significant number of new products. Some are completely new developments, whilst others are extensions of our existing successful product ranges. They are all based on the latest technology, our expertise, research and development, so we can always provide you with the best matting solution for your own or your customer's needs.

ORTHOMAT[®] PREMIUM BUBBLE

BLACK / BLACK WITH
YELLOW BORDERS

Extraordinary anti-fatigue mat
with a distinctive bubbled surface

Our latest addition to our acclaimed Orthomat[®] Premium product family

- New raised bubble pattern surface stimulates feet and legs to aid circulation to prevent fatigue and reduces slips risk.
- Low density bottom layer provides extremely effective underfoot cushioning and insulates against the effects of cold concrete floors.
- Raised bubble pattern.
- Ideal for demanding locations, especially where regular turning is involved.
- Tapered edges to reduce trip hazards.
- Product Height 12.5mm base / 19mm with Bubble

Orthomat[®] Premium Bubble combines the exceptional fatigue-relief and fatigue-prevention properties with the tough and stimulating bubble surface of Bubblemat. The raised bubble pattern surface stimulates feet and legs to aid blood circulation and to prevent fatigue. Available in black and in black with yellow borders for better visibility and security.
